The Party is Over

"Don't take a knife to a gunfight" or you might get blown away. Marco Rubio's cutting remarks and Cruz's prosecutor's slicing and dicing were no match for Donald Trump. Both were blown away in the wind of a resounding primary trouncing by American voters. All the self-righteous religious pandering by Cruz and the counter punching by Marco was no match for the heavy weight Trump's 'rope a dope' performance. Trump tweaked their egos with a few backhanded insults and then backpedaled. The two Senators then started slinging insults and mud at Donald Trump. Alas, they discredited themselves, and Trump came in for the KO...as the Super Tuesday results have proven.

POLLS IGNORED BY GOP BOSSES

The Town Criers of the SATP reported the mood of the American voters in poll after poll on St George Street, in St. Augustine, Florida. The writing was on the wall for all to see; that is, except for the party bosses. Trump polled over 50% of the national audience for the last 8 months. See www.staugtea.com

Florida is a Red State. Of the 67 counties in Florida, St Johns County is the most Republican...and the most corrupt. The 2 to 1 advantage of the GOP over the Dems has led to an imperial attitude and the betrayal of the Tea Party Movement that gave them their elected seats in 2010. The county has a County Administrator with a \$500,000 golden parachute. The Sheriff gets national news for a rumored cover up of the Michelle O'Connell violent death in the presence of her Deputy boyfriend. The failed attempt of Republican activists to control the St. Augustine Tea Party, Inc. by falsifying the corporate papers. Then there is the Board of Education forcing common core on the children against the wishes of their parents, thanks to former Gov. Jeb Bush and Bill Gates.

Trump will win the Florida Primary on March 15. The Republican establishment has lost control of the electorate to the American People who will not take their lying and dirty tricks anymore. The PARTY, for them, is over.

“He’s a Con Artist”

Marco Rubio has been taking up the Republican establishment’s cause by becoming the attack dog for the GOP Party’s bosses. This is not a new role for Mr. Rubio. Those of us who live in the Great State of Florida know him as the dedicated party insider. In 2010 when the junior senator from Florida was running for National office, he ran as a Tea Party candidate. Rubio spoke from the deck of the Dartmouth numerous times during his campaign. [The Dartmouth is owned by the St. Augustine Tea Party and is used in parades and as staging. It is pictured here.] “Our Tea Party had a lot of experience with Marco Rubio in 2010. We heard the same speeches that he gives today, from the deck of the Dartmouth in 2010. He lied in 2010 and Rubio is lying today. Senator Rubio is just another ‘two faced’ RINO; handsome in appearance, but progressive in nature; a shiny apple with a rotten core,” said St. Augustine Tea Party (SATP) Chairman Lance Thate.

Grassroots Rejection

Internal straw polls of the membership of the SATP reveal Rubio’s inability to receive even one vote. The Senator has betrayed the principles he ran on.

born citizen. The deceptive Republican Party is willing to look the other way. The same way that the GOP failed to confront Obama on the same issue. Rubio, the ongoing “Con Artist”, continues to conceal the fact that he is not eligible, under the Constitution, to be President or Vice president of the United States. In 2010 the Tea Party movement rose up and saved America from a complete socialist takeover by electing Republicans to the Congress. Marco Rubio and the Republican Party have betrayed the public’s confidence. “It is more important to be party loyal than patriotic and Constitutional. It’s “New World Order” above all. Let’s not let Rubio con us again,” the SATP Chairman said.

Generations Connect in the Tea Party

Photos by TCC Staff

The St. Augustine Tea Party held its open meeting at the Village Inn on March 8, 2016. The featured speaker was Lucky

Howe. Mr. Howe is a long-term St. Augustine resident, politically active and a World War II Veteran. Mr. Howe served in the Marines in the Pacific during World War II. Members of the St. Augustine Tea Party are honored to have him as a member. The former Marine honored his fallen brethren. "They are the heroes," he said. Howe is a member of "Marines of Long Ago". In attendance were a group of young people who attended the meeting with the express purpose of hearing Mr. Howe speak. These young people and Lucky have something in common, though many years separate them in age. Both Howe and the youngsters have traditional American values. "These young people have not been corrupted by the government schools and common core. These young people are homeschooled," Lance Thate, the SATP Chairman said.

The SATP Celebrates a Birthday

Attending with Mr. Howe was his wife of 65 years, Joanne Howe. The Howes recently celebrated their 65th Wedding Anniversary in December. Today was Mrs. Howe's birthday. A surprise observance was celebrated with birthday cake for all.

St. Augustine Tea Party Takes Part in St. Patrick's Day Parade

The St. Augustine Tea Party (SATP) is not a Tea Party that focuses on meetings, though they have two open speaker meetings per month. It is a Tea Party engaged in meeting and interacting with the public. The SATP first participated in the annual St. Augustine St. Patrick's Day Parade in 2011. The excitement generated by the public for the Tea Party presence in that parade inspired its members. They took to the streets promoting the Constitution and the founding principles rather than politicians.

It has proven to be a very successful decision. Five years later, the public's excitement for the Tea Party's presence is as great as ever.

Let's all Blame Trump

A review of the Sunday morning news shows, Meet the Press, This Week with George Stephanopoulos and Face the Nation, revealed a concerted effort to blame Donald Trump for the disruption at the University of Illinois, Chicago. Candidates of all stripes were given airtime to express the unanimous opinion that Donald Trump was at fault for the protests on Friday. When the rhetoric coming out of the candidates cannot be distinguished between the pundits on the left wing media outlets, you know how infected the two political parties are. Bernie Sanders, Hillary Clinton, Ted Cruz, Marco Rubio, John Kasich were all on the same page, "Trump is to blame." Two known Communists, a self-professed Constitutionalist and the two Republican establishment candidates all failing to stand up for the Constitution; they preferred to feather their political ambitions instead. During the combined three-hour airtime, only one composed individual saw the truth of the situation and had the courage to present it.

The Truth Revealed

Former Presidential candidate Ben Carson, speaking on "Meet the Press" Sunday morning, instantly identified the problem as a first amendment issue that all of the candidates should have been addressing. Communists view the First Amendment in terms of their right to shout opposition down. This demonstration was clearly the result of community organizers. Mr. Carson made reference to Saul Alinsky's "Rules for Radicals". The

Communists are afraid; they are concerned that Trump will undo Bush, Clinton, Obama trade agreements, seal the borders and take us out of the New World Order goals they so much need to promote their agenda.

Trump's Lack of Political Correctness is the Target

Trump is to blame, because he is winning. Mr. Trump is a threat to the New World Order and he must be stopped. It is interesting to see who joins in the fight. Everyone, but the people!

What does it Look Like on a Local Level?

The Town Criers, a committee of the St. Augustine Tea Party have been engaging the public in the historic district of St. Augustine, Florida since 2011. In November of 2011, Community Organizers staged an "Occupation" in the historic district. The local media portrayed them as having great diversity and tried to equate them on the same level as the Tea Party. They are not; they are Revolutionary Communists and Anarchists dedicated to the destruction of America. Their total purpose is to hijack causes and disrupt free speech. Notice the top photo of the man screaming in Chicago; compare these local photos shown here. It demonstrates the same tactic. They scream violent hateful rhetoric, at the top of their lungs. They have to because they have no truth, but they know that you have. The Town Criers resisted and after three months the Occupiers withdrew.

You Cannot Retreat, You Must Confront

"We were not on the ground in Chicago, so we will not second guess Trump's decision to cancel his rally. We do know, however, that when they intimidate you, they win; and they never stop coming until they learn that they cannot prevail. We would expect Trump rallies to continue to be attacked," St. Augustine Tea Party Chairman, Lance Thate explained.

Parallels of our ‘Dear Leader’

Barry Soetoro starts out a drifter. So did Herr Hitler. Details of Barry’s beginnings are a mystery. Herr Hitler’s beginnings as a young man were a mystery. Barry finds ‘himself’ in ‘Radical Politics’. So did Herr Hitler. Barry transforms himself into Barack Obama with his auto biography 'Dreams From My Father'. Herr Hitler writes his transformation with 'Mein Kampf'. Both take to the streets, Mr. Obama as a ‘Community Organizer’ working with Acorn, and Herr Hitler as a bar room orator working with Storm Troopers. Both were elected during very difficult economic times. Both have embraced the central planning ideas of Karl Marx. Both of these men have been described as having narcissistic personalities. The Socialist economic failures of the Third Reich were supported with the spoils of war. Hitler’s brand of National Socialism built up the German people’s sense of greatness. Obama’s international socialism is a different revolution. So, Obama’s approach is to destroy American greatness to aid the ‘New World Order’. America saved the world from Hitler’s tyranny. If Obama’s assault on America is successful, who will save us from his tyranny?

Stand up America, the Assault has begun.....

GOP “Dirty Tricks” in Full Bloom

Cruz Shows His Disrespect For The American People

Here’s how much respect for the American people that Ted Cruz and John Kasich have: they’re trying to overturn states where the people have already said they favor Donald Trump for president. To do this, they are trying to recruit “delegates” to violate the will of the people in their states and cast their vote at the convention for Cruz instead of Trump.

This is the sort of thing we would expect of a Clinton, Nixon or Obama. It’s dirty. It’s not characteristic of a person who claims to be what Cruz claims to be – honest, Christian, decent.

Here’s a question for would-be Cruz supporters in states which haven’t yet voted: if he has this little respect for the people of the South Carolina, how much respect will he have for you? Your support for him is predicated on how you believe that he will lead the country and on the values he professes to hold. How does this sort of activity square with those beliefs? If he will stoop to this kind of skullduggery to steal victory from the millions who voted for a different candidate, what sort of fidelity do you think he will have to his words? He doesn’t respect us! Our wishes and choices don’t matter to him. Isn’t that what we have now in both parties? So how can Cruz represent the changes most of us seek?

The Establishment wants Ted Cruz as the nominee, now that it’s apparent that they cannot have Bush or Rubio. But understand, they also don’t care if Clinton wins the election so they don’t care if the Supreme Court finds that Cruz is ineligible. Do you really think that if he’s the nominee that there will not be that challenge? He’ll probably lose. Really, the only thing the Establishment cares about in the end is that there are no meaningful changes in the direction the United States is headed and that those things put into place in the past twenty years remain in place. So Cruz or Clinton...either one is fine with them. Trump on the other hand is the Establishment’s worst nightmare.

Ever notice that there are no Establishment attempts to derail the Cruz candidacy? Neither are there George Soros funded “disrupters” at Cruz appearances and speeches to prevent him from being heard.

Why not? Because Ted Cruz presents no threat to the *status quo*.

Ted Cruz presents no threat to the Establishment and they know it. If Ted Cruz is elected, it will be business as usual in Washington and the drift of the United States as currently set will continue unabated. If that’s what you’re looking for in a president, if a continuation of what we have now is what you want for your country, then Cruz is your man. However, if you are looking for an agent of real change, and you’re thinking that Cruz

is that man, you're barking up the wrong tree! I don't know how it could be clearer... But, if you still doubt me, here's Cruz's Establishment support verified:

He is not what he claims to be...
